Recommending STEAM!

"I love dancing to STEAM! They have a great energy because they genuinely love playing together and that translates to the dance floor. They play music that makes me want to dance!"
~Jacqui Ann, Dancer, CA

What a great band! STEAM really knows how to heat up the hall! They were a treat to work with as a caller, with lots of great tunes and an excellent sense of the feel for the dances. Don't miss your opportunity to have them at your dance!
~Keith Cornett Eustis, Caller, Greenville, SC

"STEAM! is a fabulous dance band with driving rhythms, an endless variety of tunes and tempos, and a grand sense of fun. They cheerfully worked with me to create dance magic at New Mexico's Boo Camp, plus these all-around friendly folks stayed up late jamming with campers after the dances!" ~Merri Rudd, Caller, Albuquerque, NM

I had the pleasure of working with STEAM at Dance in the Desert 2013. What fun! From hard-charging contra tunes to lush English country dance melodies... they played it all with flair.
~David Millstone, Caller, CDSS President, NH
